Reference: Extension of Fee Payment timeline for AY 2026–27

Dear Parent

In response to multiple requests from parents, the earlier fee payment timeline of **1st March 2026** has now been extended to **15th March 2026**. No late fee will be applicable during this extended period. Additionally, all concessions that were valid until **1st March 2026** will continue to be applicable until **15th March 2026.**

To facilitate a smooth and seamless beginning to the new academic year, we seek your cooperation with the following important guidelines.

1. Student Kit Issuance: The Student Kit will be issued only after re-enrolment has been confirmed, subject selection (if applicable) has been completed through the Hubble portal, and payments for Instalments 1 and 2 have been made. This ensures that all requirements are completed and payments are processed accurately and on time for AY 2026-27

2. Schedule and Distribution Process: For detailed information on the grade-wise Student Kit distribution timelines and additional guidelines, please refer to the '*Important Updates – Re-Enrolment – Fee Structure – School Joining Guidelines AY 2026–27*' annexure shared earlier. This will provide you with the necessary information regarding the distribution process and other updates related to the academic year.

With your cooperation in completing these steps, we look forward to a smooth start to the academic year and to warmly welcoming our learners.

Should you require any assistance, our school relationship team is available. You may also reach us at 600 3000 700 for any queries.

Warm regards
